**Search Terms:** Meta made its most recent counterproposal on December 6, 2024 to the New York (i) Council on Children and Families, (ii) Department of Education, (iii) Department of Health, (iv) Office of Children and Family Services, (v) Office of Mental Health, (vi) Office of the Governor, and (vii) State Division of Budget. **MDL 3047 – 2024-12-09 Agency Discovery JLB**  
**New York – Meta Proposal**

**Custodians:** Meta proposes that the above search terms be run on each agency's custodial documents (including email and other custodial data sources), and relevant non-custodial data sources, that cover the entire period from January 1, 2012 to April 1, 2024, which encompasses the same time period from which Plaintiffs seek discovery, and have plead as the "Relevant Time[]]" in Plaintiffs' Complaint. *See* ECF No. 969; MDL Compl. ¶ 19 (alleging a "Relevant Time[]]" that starts "no later than 2012").

Meta proposes that the search terms set forth above should be run against at least the custodians listed below. Custodians designated with an asterisk (\*) have been affirmatively proposed and agreed to by New York during the course of the Parties' negotiations. To the extent that the custodians below do not cover the relevant time period or all relevant topics for each agency, the State and/or agency should propose additional custodians to Meta, and Meta reserves the right to select additional custodians.

The New York Attorney General's Office has not proposed custodians for the New York Governor's office or State Division of Budget. Nor has it produced information that is sufficient to allow Meta to identify a representative set of custodians that covers the relevant time period and subject matter for each agency. Accordingly, to the extent those agencies are directed again to participate in the agency discovery process, Meta requests that the Court require those New York agencies to identify custodians that meet that criteria within three days of the Court's order resolving this dispute. Meta reserves the right to request additional custodians in a meet and confer to be scheduled promptly after the agencies' disclosure of an initial proposed custodian set.

### **OCFS Custodians**

OCFS is working voluntarily to identify potential custodians who currently work at the agency. Given the breadth of Meta’s requests, the agency has had difficulty identifying custodians who used to work there that could have potentially relevant documents from earlier in Meta’s broad time period, which is why OCFS ran terms across all email inboxes from 2015 to the present.

### **CCF Custodians**

Elana Marton, Vanessa Threatte, Keith Howard, Samantha McQuibban, Dimple Patel, Melinda Sanderson, Diane Urso, Joseph DeBonza, Yan Wu, and Kristin Weller.
